Chapman named Shuttle Propulsion Chief Engineer

John S. Chapman has been named Space Shuttle Propulsion Chief Engineer with the Engineering Directorate at the Marshall Center. In the newly created position, Chapman will provide engineering and technical leadership for the Space Shuttle's propulsion elements --- the External Tank, the Solid Rocket Boosters, and the Reusable Solid Rocket Motor and the Main Engine.

**Marshall Center
tree lighting
ceremony,
4:45 p.m., Monday,
front of Bldg. 4200**
